Hello all and I hope that you are doing well. The Port of Los Angeles, for the 3rd consecutive year will offer up to $1 million for community grants to support initiatives, programs and events benefiting the LA Harbor communities. To help organizations prepare grant applications, the Port of LA is hosting Community Investment Grant Program workshops. The first will be held Wednesday, March 30, at 6 p.m. at the Port of Los Angeles Administration Building Boardroom, 425 S. Palos Verdes Street in San Pedro. The second will be held at Banning's Landing Community Center, 100 E. Water St. in Wilmington, on Thursday, March 31, at 6 p.m.

Grant awards will focus on initiatives that:

· Promote the LA Waterfront in San Pedro and Wilmington, as active visitor-serving destination

· Promote the Port of Los Angeles and the maritime and LA Waterfront related jobs the Port generates

· Address impacts of the Port of Los Angeles and maritime operations on surrounding communities, including health, aesthetic and environmental impacts

· Promote and implement sustainable practices for preservation and conservation of natural resources in the Port environment, from air and water quality initiatives, to renewable energy, wildlife and biological resources at the Port

· Provide education, training and/or workforce development in the areas of:

  - Shipping, fisheries, international trade and maritime industry

  - Marine-related sciences and technology

- Port and maritime history
- Port and marine-related safety and emergency management

Funding will be made available in three categories: small grants of $5,000 or less; medium grants between $5,001 and $99,999; and large grants of $100,000 or more. Organizations must be nonprofit with 501(c)(3) tax-exempt status to apply for Port grants, and funds must be spent within the fiscal year granted (July 1, 2016 – June 30, 2017).
